Application:

1. Remove lid from container and pull towel from roll.
2. With towel, lightly scrub affected area in a circular motion, turning towel over frequently to dissolve and lift the graffiti from the surface.
3. Wipe away any remaining residue with a water moistened cloth or sponge.
4. Discard soiled towel into a proper trash container.
5. Rinse used cloth or sponge in clean water for reuse.

NOTE: Before using GENERAL PURPOSE Graffiti Wipes on painted walls, moisten the surface with water (using either spray bottle or cellulose sponge) then very gently scrub area with a circular motion. Remove residue and rinse, using water, with a cellulose sponge (DO NOT USE RAGS OR PAPER TOWELS – these products are too aggressive and will damage the surface). Always test area for compatibility before full application.

Storage:

Keep GENERAL PURPOSE Graffiti Wipes in sealed container and store in cool, dry, protected, well ventilated location. Keep out of direct sunlight and contact with moisture.
