

METAL SAFE GRAFFITI WIPES

Product Description:

METAL SAFE Graffiti Wipes are towels that have been pre-moistened with a fast acting, strong graffiti remover. The towels are designed to be pulled individually from the re-sealable container. The towels have been formulated with the remover to provide optimum removing and cleaning performance without damaging the surface. METAL SAFE Graffiti Wipes can be used for interior and exterior surface applications to remove most spray paint and permanent marker. It is recommended for public utilities, event centers, municipalities and property management. METAL SAFE Graffiti Wipes provide a simple, fast and efficient method of removing graffiti on **light to moderate jobs**.

Features and Benefits:

- Biodegradable Formula makes it Safe for the Environment
- Fast Activation for Quick Results on light to moderate jobs
- Safe for Ferrous and Non-Ferrous Metals – Versatile Surface Use
- Towels are Strong and Hold Up to Graffiti Removal yet Non-Scratching
- Re-Sealable Container Prevents Towels from Drying Out – Longer Shelf Life

Recommended to use on these Smooth Surfaces:

- Colored Bonded Surfaces
- Pre-Finished Metal / Powder Coated Surfaces
- Painted Metal Surfaces
- Metal Siding / Metal Panels
- Stainless Steel / Cold Rolled Steel / Galvanized Metal
- Aluminum / Anodized Aluminum
- Some Plastics
- Some Signage

NOTE: METAL SAFE Graffiti Wipes are not recommended to use on rubber or plastic surfaces.

PRODUCT DATA SHEET:
METAL SAFE GRAFFITI WIPES

Application:

1. Remove lid from container and pull towel from the roll.
2. With towel, lightly scrub affected area in a circular motion, turning towel over frequently to dissolve and lift the graffiti from the surface.
3. Wipe away any remaining residue with a water moistened cloth or sponge.
4. Discard soiled towel into a proper trash container.
5. Rinse used cloth or sponge in clean water for reuse.

NOTE: Always test METAL SAFE Graffiti Wipes with surface before general use to determine compatibility and desired results before overall application.

Storage:

Keep METAL SAFE Graffiti Wipes in sealed container and store in cool, dry, protected, well ventilated location. Keep out of direct sunlight and contact with moisture.

Precautions and Handling:

It is recommended that safety glasses and chemical resistant gloves be worn when using METAL SAFE Graffiti Wipes. Refer to MSDS for complete safety and handling information.

Specifications:

Towel Count per Container: 25
